**Subject:** RE: Collaborative Effort to Improve Animas River Water Quality

Larry,

Thank you for sharing the letter with me. I'll look forward to working with you as we move forward on various aspects of the this work in the watershed.

Sincerely,

Steve

**Subject:** Collaborative Effort to Improve Animas River Water Quality

Steve-

Please see the attached Letter. In its continuing role as a catalyst for the collaborative effort to improve water quality in the Animas River, Sunnyside is offering to develop and support the implementation of certain Work Plans. We believe that the Work Plans will be an integral step in the Animas River Stakeholders Group's ongoing collaborative work to improve water quality in the Animas.

Regards

Larry
